Award Spotlight: Fulbright Program

The Fulbright U.S. Student Program expands perspectives through academic and professional advancement and cross-cultural dialogue in more than 140 countries. Fulbright offers the following awards:

- The **Fulbright English Teaching Assistant Award** places Fulbrighters in classrooms abroad to provide assistance to local English teachers. ETAs help teach English language while serving as cultural ambassadors for the U.S. The age and academic level of the students vary by country, ranging from kindergarten to university level.
- The **Fulbright Study/Research Award** enables applicants to conduct research or pursue graduate study abroad.

Message from the Director

I am honored to serve as Director of the Office of Nationally Competitive Awards and to support our students in pursuing transformative opportunities. I look forward to connecting with campus partners to expand access, strengthen mentorship, and celebrate the achievements of our nominees and recipients.
-Schyler Simpson, Ph.D.
