Student Spotlight

Senior AJ Hopkins, a natural resources and environmental science major, was named a 2026 Udall Scholar. Udall identifies future leaders in environmental, tribal public policy and healthcare fields. AJ is one of 65 scholars selected this year from 383 candidates across the country.

UPCOMING INFORMATION SESSIONS

Fulbright Applicants Open Writing Session

September 25th, 1pm-4pm
Current Fulbright applicants are invited to JSB 108 for a writing workshop before the national deadline.

Fulbright Applicants Open Writing Session

October 1st, 2pm-5pm
Current Fulbright applicants are invited to JSB 161N for a writing workshop before the national deadline.

Award Spotlight: Gilman International Scholarship

- The Gilman International Scholarship provides up to \$5,000 to undergraduate students receiving Federal Pell Grants to pursue credit-bearing study abroad or career-focused international internships.
- The Gilman Scholarship helps students gain global experience, professional skills, language proficiency, and international networks that support their academic and career goals. Students from all academic fields are encouraged to apply.
- Additional funding: Limited supplemental awards are available for students pursuing STEM opportunities or studying critical-need languages abroad.
- Eligibility: Applicants must be receiving a Federal Pell Grant at the time of application or during the term of their study abroad program/internship.

Fall Deadline:

October 1

Spring Deadline:

February 25

Want to Recommend a Great Student?

Please visit the QR code to recommend a student to our office. An NCA staff member will then contact the student and invite them to set up an advising meeting.
